

SUPPORT US WITH PREMIUM SERVICES

A daily news channel
where you can learn about
your favorite animals.

An ad-free service with
no interruptions while you
browse during important
moments.

ABOUT US

We are a group of
students from
Florida who, in
order to complete
our integrated
project.

Decided to create an
application to assist
pet owners with
their pets. Whether
it's answering
questions, providing
products, or
assisting when they
cannot take care of
them and need
someone to help.

PET4SITTER

CARE AND LOVE FOR YOUR
PET, WITHIN YOUR REACH.

OUR SERVICES

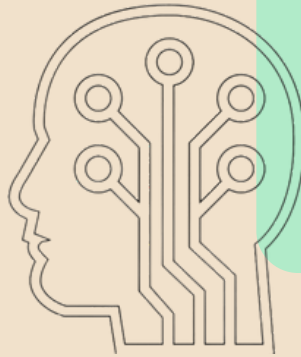

With the search functionality, you will have no trouble finding experienced caregivers in your desired area!

If you don't have food or supplies to care for your pet, don't worry, we have our own product sales.

If you have any doubts about your pet, don't worry! With the IAYuda feature, it will instantly answer any related questions.

A chat channel to contact your caregiver in real time without having to use external applications.

CONTACT US

If you wish to contact us, you can do so through our social media, email, or our website.
